20 Years of **Philanthropy**...
20 Years of **Fashion**...
20 Years of **Fierce Women**...
20 Years of **A Pair to Remember®** to benefit
Easterseals Florida!

Thank you Orlando for nearly **two decades of great memories and generosity** to benefit the individuals served by Easterseals Florida.

With your support, we change the way the world defines and views disabilities by making profound, positive differences in lives every day through **exceptional services, education, outreach, and advocacy.**

For 20 years, every shoe, bauble, ticket, and sponsorship purchased at **A Pair to Remember®** has made an impact on individuals served by **Easterseals Florida.**

Support A Pair to Remember® — our community is counting on you.

The Cause

For nearly two decades, **A Pair to Remember®** has made a direct impact on individuals with disabilities, right here in Central Florida, by raising funds to support the **Easterseals Florida** mission.

With more than \$2 million raised since the very first event in 2005, proceeds from this beloved community event have provided exceptional services, education, outreach, and advocacy to children and adults in our community.

Easterseals Florida works tirelessly with our partners to enhance quality of life and expand local access to healthcare, education, and employment opportunities — and we won't rest until every one of us is valued, respected, and accepted. After all, isn't that what everyone deserves? We certainly think so.
